NZLS CLE CPD Top Up - Wellington
Wednesday 14th February, James Cook Hotel, Wellington

Dear Ron

On behalf of NZLS CLE Ltd Board I would like to offer my warmest thanks for presenting at the Wellington CPD Top Up day. Feedback from conference evaluations for your session has been very good, with comments such as:

"What can you say about this guy. Upfront honest, a person that had you thinking and highly knowledgeable. Great great Presentation. This information made me think carefully around the expectations of Anti-Money Laundering policies and processes we need to."

"The last speaker (the money laundering man) was the best thing in the conference."

"Dr Ron Pol and money laundering talk was the highlight of the day."

The conference was very much the richer for your excellent contribution. It was wonderful to have you on our presenting team. Without practitioners of your calibre, who willingly give of their time and energy, these conferences would not enjoy the success they do, and we are very grateful. I hope you enjoy this token of our appreciation.

CPD hours and verification

This is verification of your CPD hours for this programme. Under the Scheme, hours can be claimed for both preparation and presentation time:

- *Preparation* - The Scheme provides that a presenter may assess and claim a "reasonable" amount of their preparation time as CPD hours. Under the Scheme Guidelines, "fair play" is the key in deciding the number of hours to claim.
- *Presentation* - 1 hour can be claimed for the conference presentation itself. Overall, the conference attracts 7 CPD hours for attendance.

It was a pleasure to work with you Ron. Please accept this gift as a small token of appreciation from NZLS CLE.

Thank you once again and kind regards

Alex Jarman
